

**Airpower™ Mobile-Aire**

## Airpower™ Mobile-Aire

***an alternative to "shop" air***, the 100 to 500 CFM automatic blower provides quiet and virtually vibration free performance. The compact design makes it a really mobile air supply. Choose from three models with flows starting at 100 CFM at 100 inch WC to 500 CFM at 50 inch WC.

### Mobile-Aire Features:

- 500 CFM max flow portable air compressor
- 100 inch WC (3.6 PSI) as compared to conventional 70 inch WC models
- Higher air output: 500 SCFM @50 inch WC /200 SCFM @100 inch WC
- Can support 72 inch air knife or 48 inch air knife and - blow-off nozzle
- 3 motor sizes - 2, 3 and 5 HP
- Vertical design saves storage space, 30 L x 30 W x 60 H
- Self contained with motor start or VFD, air filter; optional foot control on/off, flex-hoses, air knives, & nozzles
- Stainless Steel base plate with wheels for easy movement
- Single Shafted Totally Enclosed Fan Cooled (TEFC) and Explosion-proof (XP) models available
- Ideal for use in ambient air blow off or drying situations
- Ideal as drying station for Wash/Rinse Only cleaning systems

AIRPOWER™ blowers from Vortron feature modern high efficiency centrifugal compressor designs with aerodynamic performance vastly superior to existing technology. Proprietary component designs such as Fresh-Aire™ cooling, noise attenuating drive cover, high-efficiency compressor stage and out board spindle provide superior operational performance and durability.

AIRPOWER™ blower packages assure smooth running and properly regulated air-drying, air blow-off, aeration and agitation systems. All blowers feature long bearing life and carry an exclusive two-year warranty.
